SECOND WORKSHOP ON POPULARIZATION AND TEACHING OF ASTRONOMY

February 22nd, 23rd and 24th, 2017
Esquel, Chubut, Patagonia, Argentina

Observation of the annular eclipse of the Sun
South of Chubut, February 26th, 2017

The Node for Astronomy Outreach and the NOC are pleased to invite you to participate in the Second Workshop on Popularization and Teaching of Astronomy (WDEA II), to be held in the city of Esquel, Chubut province, Patagonia, Argentina, on February, 22nd, 23rd and 24th, 2017.

As part of WDEA II, on February 26th we will observe the Annular Solar Eclipse in a location 350 km south of Esquel, close to a small village named Facundo, where the path of centrality crosses the famous Route 40.

We hope you came to Patagonia to join us next February.

More information can be found at the web site of the Workshop:
